Letter No. 111

Date: 11.02.2020

To

The Principal,
Aryan Public School,
Kalasandpur, Aska

Sub: Health, Sanitary and Drinking Water Condition at your building

The filed supervisor inspected your school building and found the class rooms well ventilated, have sufficient natural light. Necessary cleanliness is maintained.

The shool has separate toilets for boys, girls and staff which is hygienically maintained having flush toilets which leads to septic tanks.

The campus has its own bore well which is used for cleaning purpose. The water is supplied for drining after filtering with RO water purifiers.

Hence the campus has a good healthy and clean atmosphere.

Yours faithfully,
